Two Log Cabins Remain Only Marks of Pioneer Settlement in County

Smelter Cabins Hide History of Settlement

ALTHOUGH Marion county is one of the most rapidly developing in the state, it is still a pioneer settlement. The only marks of the pioneer settlement are the two log cabins which remain in the county. One of these cabins is the one in which the first settlement was made. The other is a replica of the cabin which was built by the first settler.

Editor's Note: This is the second of a series of feature articles to be published by The Star on Marion county. The first article was the story of the first settlement in the county. The second article is the story of the pioneer settlement in the county.

When the first settler came to Marion county, he found a wilderness. He found a place where there were no roads, no schools, no churches, no anything. He found a place where he had to build his own home, his own school, his own church, his own everything.

\$65,000 Stock Disposal Sale FOR THE PURPOSE OF REMODELING

Unquestionably the most amazing underselling Hardware event of all times. Unmistakable opportunities to save dollars upon top of dollars are now before you. Every article in this store must be forced out through the driving impetus of drastic price concessions.

It is the purpose of this gigantic Stock Disposal Sale to relieve the prevailing congestion of stocks in our store immediately in order to give the carpenters and laborers the required working space. The most startling crowd compelling Hardware Bargains will prevail during this spectacular exhibition of matchless values and matchless money saving opportunities!

More Than 93 Years of Honorable Business Dealings in Marion

For more than 93 years this store has faithfully served our community. Each year finds many new customers. Each year finds the volume of business increased. It is for this reason that we are forced to remodel the interior of our building—the enormous stock that we now carry must have floor space, our present main floor being entirely too small to properly display and sell at a rapid turnover the vast assortment of Hardware, Sporting Goods and Supplies we are now carrying.

You Are Now "Face to Face" with All the Facts

The prevailing congestion of tremendous quantities of Hardware and supplies must be relieved "QUICKLY" and you can readily realize that the SELLING of a great portion of this stock can only be accomplished through the most drastic measures. The stock could of course be sold in the regular course of business but NOW every article and particle of stock, in fact "EVERYTHING" in our store GOES at a sensationally reduced price. To accomplish this ABSOLUTELY NECESSARY result the most drastic and startling crowd compelling bargains will prevail during the period of this sensational and spectacular underselling event. So with this information at hand you can not afford to neglect attending this sale!

A Dish of Ice Cream a Day Will Keep Sickness Away. And Why Not?

Good physical condition will render most anything. But what about the kind of ice cream? There are grades of ice cream as certainly as in anything else. It is commonly acclaimed that TENDER'S ICE CREAM is way superior to all of them in this vicinity. And why not? It is made right in their own sanitary shops with rich cream, pure sugar and without any adulterants. Eat plenty of TENDER'S Ice Cream. It is good for you.

WHAT ABOUT MOTHER ON MOTHER'S DAY, MAY 11th?

Tender's will have many surprises for you. Remember nothing can exceed Tender's on the confectionery art for any occasion and particularly so for Mother. Wonderful boxes, artistically filled and decorated, all sizes and prices.

and damaged the roof of a school building.

At Kicksburg, Kan., Lawrence Kern, a farmer, was killed.

A storm of tornado dimensions struck Wabasha and Steele counties in southern Minnesota, destroying small farm buildings and doing other property damage estimated at \$100,000.

Although the storm caused loss of life on both sides of Iowa, that state escaped with little damage. The tornado that did much heavy damage in northeastern Nebraska hit its force as it entered Iowa near Sioux City. Rain, hail and high winds were reported from many parts of the state.

Rebels of the storm were felt in Chicago early today with a heavy rain and hail storm.

In the Chicago area, the heaviest of the storm was felt in suburban Beverly Hills, where property damage of \$100,000 was reported.

The first aftermath fatality resulted early today. Michael Keaty, an electrician, fell to his death while repairing a power line in Chicago, a Chicago suburb.

Considerable livestock was lost in the storm around Waukegan, Ill., many roofs were blown off buildings and power wires and poles were down. The fatality near Antioch, on Channel Lake, was Robert Shannon, 20. Taken from beneath his wrecked cottage by freemen, he died in a Waukegan hospital early today.

Charles W. Barnett, 31, a truck driver from Des Moines, Ia., was electrocuted when he drove into a high voltage wire down near Galeburg, Ill.

At Kicksburg, Kan., Lawrence Kern, a farmer, was killed.

A storm of tornado dimensions struck Wabasha and Steele counties in southern Minnesota, destroying small farm buildings and doing other property damage estimated at \$100,000.

Although the storm caused loss of life on both sides of Iowa, that state escaped with little damage. The tornado that did much heavy damage in northeastern Nebraska hit its force as it entered Iowa near Sioux City. Rain, hail and high winds were reported from many parts of the state.

Rebels of the storm were felt in Chicago early today with a heavy rain and hail storm.

In the Chicago area, the heaviest of the storm was felt in suburban Beverly Hills, where property damage of \$100,000 was reported.

The first aftermath fatality resulted early today. Michael Keaty, an electrician, fell to his death while repairing a power line in Chicago, a Chicago suburb.

Considerable livestock was lost in the storm around Waukegan, Ill., many roofs were blown off buildings and power wires and poles were down. The fatality near Antioch, on Channel Lake, was Robert Shannon, 20. Taken from beneath his wrecked cottage by freemen, he died in a Waukegan hospital early today.

Charles W. Barnett, 31, a truck driver from Des Moines, Ia., was electrocuted when he drove into a high voltage wire down near Galeburg, Ill.

Night Baseball Game Scheduled for Broadcast

A MIDNIGHT account of organized baseball's first venture into the hours of darkness is scheduled by the National Broadcasting Company for Friday night when the Braves open Friday night when the Braves open against the Boston team.

The radio description of the baseball game is to be broadcast at 11 o'clock and probably will continue for at least an hour. A W. W. Ketter, station manager of the NBC Mid-West division, is slated to introduce the broadcast to the audience.

The broadcast will be heard on WEA and WJZ, and associated NBC stations will carry the description of the baseball game. The game is the first of the Braves' season, which will be broadcast on the 1936 season, all of which will be placed in the evening hours under artificial light.

Lighting arrangements for the night baseball game were worked out by suggestion of the General Electric Company in cooperation with the Ketter, president of the NBC Mid-West division. The lighting consists of 100 flood lights mounted on towers and 500 foot steel towers. Each flood light has a 1,000 watt incandescent lamp.

A musical half hour by the United States Navy Band under the direction of Louis Charles Bender, will be broadcast from the Capital City at 7:30 o'clock Friday night over WABO and the Columbia Broadcasting System. Musical acts and selections from the classics make up the program.

Genia Zilinska, soprano, sings melody from her ancestral Polish home in her recital to be broadcast over stations serviced by the WEA network Friday evening, at 8 o'clock.

Recent musical comedies and talking motion pictures contribute to the musical program for the Raybestos program which the WEA network and associated stations will broadcast Friday evening at 8:30 o'clock.

"Give Me Back My Fifteen Cents" and the "Giddyup Land" are typical of the hill-billy songs that the Phipps Family will offer in the weekly "Visit to their home" over the WJZ network Friday night at 7 o'clock.

"Mary Had a Little Lamb" will be played in the style of Schubert, Debussy and Liszt when Hermand Levis's concert ensemble plays over WABO and the Columbia Broadcasting System at 8:30 o'clock Friday night.

The "University of Maine Stein Song" features the Armour Hour to be broadcast through the WJZ network Friday night, at 8:30 o'clock.

Tonight at 8:30 o'clock from WEA, Ohio State University, the WEA Players present as their guest members of the department of dramatics of Ohio Wesleyan university. This group will broadcast scenes from their spring Shakespearean production, "A

Romance of Two English Poets To Be Dramatized

THE story of two lovers who die young, the romance of John Keats and Fanny Brawne, is to be dramatized in a play by the WJZ network, presented over the WJZ network Friday night at 7 o'clock.

When the play "Romance of Two English Poets" is presented, first night, the play is to be presented in English poetry. The play is a representative of the WJZ network, which is to be presented in English poetry.

Robert Browning, on the contrary, was a Victorian, and his play, which had some of the temperance generally ascribed to poets, Browning had been a great admirer of Keats's poetry, and he had been with him at night. She was startled, declared that marriage was out of the question, but before long her health had improved, and within a year, England was amazed to hear of the elopement of the two poets. The circumstances of the elopement make a story of real dramatic interest.

CENTURY DASH TOPS ATHLETIC CARNIVAL

Ohio Meet Records in Danger as Famous Stars Open Assault on Marks.

BY EDWIN SCHENLER
Staff Correspondent for The Star

COLUMBUS, May 2.—The Century dash, the most important event of the Ohio Athletic Carnival, was won today by the Ohio State team, which set a new record of 1:14.4. The team consisted of George Simpson, Ohio State; Eddie Tolson, Ohio State; and two other runners. The record was set in the first heat of the race. The Ohio State team is the favorite to win the relay, and the Century dash is the key race of the carnival. LEO ALEXANDER TO BATTLE DR. WILSON IN HEADLINE BOUT

Railroad Routt Booked To Wrestle Jack Kogut in 30-Minute Semi-Final.

NEW YORK, May 2.—Leo Alexander, the champion heavyweight boxer, will battle Dr. Wilson in the headline bout of the Madison Square Garden boxing card tonight. The fight is expected to be a close one, as both fighters are in excellent condition. Alexander is the favorite to win, but Wilson is a dangerous opponent. The fight is scheduled for 12 o'clock.

THE WORSTED-TEX SUIT '40

There is an element of fineness about the Worsted-tex Suit that distinguishes it from anything we have ever seen in moderate-priced clothes.

The exclusive Worsted-tex fabric is the kind you see at a fine custom-tailor's. The tailoring is superlatively fine and the style is the kind you see on Fifth Avenue, New York, or Michigan Boulevard, Chicago.

**A SIMPLE STEP
TOWARDS HEALTH**

Kellogg ALL-BRAN is a Daily Essential and
Millions Know Its Effectiveness in Relief
of Constipation

Perhaps the one simple thing you are not doing to guarantee permanent health is having sufficient roughage in your food. Absence of this roughage is the direct cause of constipation, which results in so many other ailments—headaches, nervousness, general depression, indigestion and some more serious diseases.

Kellogg's ALL-BRAN is a roughage. It is positively guaranteed to relieve both temporary and recurring constipation or the purchase price will be refunded. Two tablespoons daily (in serious cases with each meal) is the proper amount.

Kellogg's ALL-BRAN also helps you to health in other ways. It is rich in iron—practically all of which goes into the blood, bringing

KONJOLA EASILY BEST MEDICINE I EVER TRIED

Lad Suffered for Years
from Indigestion That De-
fied Every Remedy Put
to the Test

ROSEBROUGH
I had suffered for years from indigestion that defied every remedy put to the test. I was a nervous, thin, and weak man. I had tried everything, but nothing helped. Then I tried Konjola. It was a revelation. I felt better in a few days. My appetite came back. My digestion was perfect. I was able to eat and sleep again. I was a new man. I am now a healthy, strong, and happy man. I can eat anything I want. I can sleep peacefully. I can live a normal life. I am grateful to Konjola for what it has done for me. I recommend it to everyone who suffers from indigestion. It is the best medicine I ever tried.

When Children Refuse To Drink Milk, Disguise It

For a long time Betty, a child of 3, has refused to drink milk. Her mother, Mrs. Betty, has tried every trick in the book to get her to drink it. She has tried to disguise it with fruit, with cream, with sugar, but nothing has worked. Finally, she has decided to disguise it with a little of everything. She has made a "milk drink" that is a mixture of milk, cream, sugar, and fruit. She has also tried to make it look like a different liquid. She has used a straw, a spoon, and even a glass. But Betty still refuses to drink it. Her mother is at her wit's end. She has tried everything she can think of, but Betty still won't drink milk. She is worried because Betty is growing up and needs the milk for her health. She has heard that milk is good for children, but Betty won't drink it. She is looking for a way to get Betty to drink milk. She has heard that some people disguise milk with fruit, but Betty won't drink that either. She has heard that some people use a straw, but Betty won't use that either. She has heard that some people use a spoon, but Betty won't use that either. She has heard that some people use a glass, but Betty won't use that either. She is looking for a way to get Betty to drink milk. ZUCCHINI IS NEW MARKET ARRIVAL

Looks Like Cucumber But Is Really One of Squash Family.

Small, bumpy, and green, the zucchini is a new arrival at the market. It looks like a cucumber, but it is really a member of the squash family. It is a vegetable that is easy to grow and can be used in many different ways. It can be eaten raw, cooked, or even fried. It is a versatile vegetable that is worth trying. It is a good source of vitamins and minerals, and it is also low in calories. It is a healthy addition to any diet. It is a vegetable that is easy to find at the market, and it is also easy to grow at home. It is a vegetable that is worth trying.

MOVING

People are moving from one place to another. Some are moving to new homes, some are moving to new jobs, and some are moving to new countries. Moving is a big change, and it can be a scary experience. But it can also be a great experience. It can be a chance to start over, to meet new people, and to see new places. Moving is a part of life, and it is something that everyone has to do at some point. It is a challenge, but it is also an opportunity. It is a chance to grow and to learn. It is a chance to become a better person. Moving is a part of life, and it is something that everyone has to do at some point. It is a challenge, but it is also an opportunity. It is a chance to grow and to learn. It is a chance to become a better person.

Disastrous Results

Results of the recent election in Marion, Ohio, have been disastrous for the candidates. The results were a surprise to many people, and they have caused a lot of disappointment. The candidates who were expected to win have lost, and the candidates who were not expected to win have won. This is a big change, and it has caused a lot of confusion. People are wondering what happened, and they are trying to figure out why the results were so different from what was expected. It is a disappointing result for many people, and it has caused a lot of talk about the election process. It is a challenge, but it is also an opportunity. It is a chance to grow and to learn. It is a chance to become a better person.

A Soap For Real Boys

Here's the solution to an old problem. Don't bribe boys to wash—merely give them the modern soap that instantly bursts into millions of vigorous bubbles. This new soap is made by a secret process from costly, mild coconut oil. Just plunge it into water—hard or soft—hot or cold—and instantly you have mountains of rich, creamy, lather!

And so gentle is this magic soap that it is soothing to delicate skin—its mild coconut oil leaves your skin silken-smooth and soft. Yet it makes short work of grimy dirt, oil and grease and removes dangerous germs.

Be modern—try this new magic soap made for busy people. Only 10c for the big white oversize cake.

The gift your graduate will cherish... a GRUEN!

To most young folks, Graduation spells Watch—with a capital "W". And happy the girl who receives a Gruen, for surely there's no more reliable or lovely timepiece. Yet, in spite of their wonderful reputation, they're moderate in price. Our selections include many Gruens from \$35. Come in, select a Gruen—make that Graduation the most memorable of days—an event never to be forgotten.
